PROFILE

Dean's List student at Eastern Connecticut State University, graduating in December 2021 with a Bachelor's of Arts degree in Sociology.

Highly motivated and inspired student at UCONN's School of Engineering Coding Bootcamp.

EXPERIENCE

Stay-at-Home-Parent — 2015- Present

Spent the last 5 years raising three daughters, eager to pursue a full-time career. Networked with other moms and participated in local volunteer opportunities. Household management, financial planning, conflict-resolution, and scheduling management are skills that this position enhanced to name a few.

Secretary, Allied Roofing & Sheet Metal; East Hartford, CT — 2014-2015

Handled correspondence, record upkeep, and file management.

Nanny; Jacksonville, NC — 2013-2014

Cared for children aged 9 months - 3 years old. Taught life skills as well as basic academia. Managed time efficiently and kept a clean, organized and safe environment.

School-Age Teacher Assistant, The Learning Center — 2012-2013

Planned activities for school-aged children, organized summer field trips, encouraged positive social and emotional development and helped children with learning disabilities.

Sales Associate, Everything But Water; Farmington, CT — 2010-2012

Store key holder. Handled openings/closings as well as greet guests, make sales, organize product inventory, and followed operational procedures.
